April 2024

Dear Friend of Literacy,

Welcome to Adult Learners' Week!

This year, Adult Learners' Week takes place from March 31st to April 6th. We at Literacy Quebec invite you to celebrate the importance of lifelong learning. Adult Learners' Week highlights the value of learning no matter your educational background, as growth and knowledge foster a more equitable society and lead individuals to lead more fulfilling lives. While fun, learning can provide challenges as well, so we believe it is important to honour those who don't give up.

Help us highlight this important week. This package contains a poster, a conversation prompt, an activity suggestion sheet, and post-its to help us all reflect on our achievements. Have fun celebrating, and feel free to share with us!

"Education is not the filling of a pail, but the lighting of a fire." - William Butler Yeats

Sincerely,

The Literacy Quebec Team
